

# Caroling at the Village at Willow Crossing

Pack 13 will be participating in a caroling / sing along excursion to the Village at Willow Crossing, an elderly assisted living facility. We would love for as many Scouts (and their families) as possible to join in the fun!

Date: Sunday, December 11

Time: 3 P.M.

Location: The Village at Willow Crossing, 25 Cobb St. Mansfield

I have attended many events and activities at the Village, and the residents there are always excited to see children, and they love to sing! This would be a wonderful way for the Scouts to spread some holiday cheer. Please sign the sheet, indicating your interest in attending. I will give further details as the date draws near.
